I. [1] As I frequently contemplate and call to mind the times of old, those in general seem to me, brother Quintus, to have been supremely happy, who, while they were distinguished with honours and the glory of their actions in the best days of the republic, were enabled to pursue such a course of life, that they could continue either in employment without danger, or in retirement with dignity.

De Oratore (On the Orator; not to be confused with Orator) is a dialogue written by Cicero in 55 BC. It is set in 91 BC, when Lucius Licinius Crassus dies, just before the Social War and the civil war between Marius and Sulla, during which Marcus Antonius (orator), the other great orator of this dialogue, dies. During this year, the author faces a difficult political situation: after his return ...

Cicero (Marcus Tullius, 106–43 BCE), Roman lawyer, orator, politician and philosopher, of whom we know more than of any other Roman, lived through the stirring era which saw the rise, dictatorship, and death of Julius Caesar in a tottering republic. In his political speeches especially and in his correspondence we see the excitement, tension and intrigue of politics and the part he played in ...

In "On the Ideal Orator" (De Oratore) Cicero - the greatest Roman orator and prosewriter of his day - gives his views on rhetoric, oratory and philosophy. Cast in the lively literary form of a dialogue, the work presents a daring view of the orator as the master of all language communication, while still emphasizing his role at the heart of Roman society and politics.

The main focus of this chapter is De oratore, and Cicero's exploration of the idea that the work of the orator is central to Rome's political functioning and history. The discussion of different routes to political success in Pro Murena is examined, before De oratore itself. In that work, conflicting versions of Rome are presented, which differ in the degree to which rhetoric is seen as ...

Cicero and Modern Law contains the best modern writings on Cicero's major law related works, such as the Republic, On Law, On Oratory, along with a comprehensive bibliography of writings on Cicero's legal works. These works are organized to reveal the influence of Cicero's writings upon the history of legal thought, including St. Thomas, the Renaissance, Montesquieu and the U.S. Founding Fathers. Finally, the articles include discussions of Cicero's influence upon central themes in modern legal thought, including legal skepticism, republicanism, mixed government, private property, natural law, conservatism and rhetoric. The editor offers an extensive introduction, placing these articles in the context of an overall view of Cicero's contribution to modern legal thinking.

This extensive bibliography contains 704 descriptions of the Jan Moretus editions and lists over 500 announcements that he printed for the city of Antwerp.
