**Animal's People Summary and Study Guide | SuperSummary**

*Animal's People* is a clever book. As with his first novel, *The Death of Mr Love*, author Indra Sinha again strives to be the Indian answer to Nabokov with his sly double-meanings and quick wordplay. However, despite effectively tackling an important issue—the Bhopal chemical disaster of 1984—*Animal's People* is perhaps too clever for its own good.

**Animal's People by Indra Sinha - Goodreads**

*Animal's People* is a book about a young, seventeen year old man named Animal. For as long as Animal can remember he has walked on all fours. Is back has been twisted due to the incident caused by the chemicals in the Kampani's factory. The tragic night that this whole story is based on caused death to many of the town people.

*Animal's People* started life in 1996 as a sketch for a screenplay which, according to my notes of the time, was to have been called *Green Song*. It was about people living in the shadow of a great disaster. The idea of turning these notes into a novel came to me in the summer of 2001, when I was looking for a story to follow *The Death of Mr Love*.

**Indra Sinha on Animal's People and his next book.**

Indra Sinha novel, *Animal's People* does not only share a part of its name with Orwell's *Animal Farm* but like its probable inspiration, utilizes the allegory to register a sharp comment against one of the worst industrial tragedies in human history, the Bhopal gas tragedy of 1984. On the morning of December 3 a leak in the Union Carbide factory in the city changed the lives of thousands of people forever.
