BECOMING A MAN is about growing up gay, and about the tyranny and self denial of the closet - one man's struggle, for half his life, to come out. From the white-bread 1950's through the rebellious 1960's to the self-creating 1970's and beyond, it forms a passionately honest and unsparing account of the tortures of living a lie, a naked protrait of one man's fight for freedom in a time of ignorance and bigotry.

coming-out memoir. "One of the most complex, moral, personal, and political books to have been written about gay life" (LA Weekly). Paul Monette grew up all-American, Catholic, overachieving . . . and closeted. As a child of the 1950s, a time when a kid suspected of being a "homo" would routinely be beaten up, Monette kept his secret throughout his adolescence. He wrestled with his sexuality for the first thirty years of his life, priding himself on his ability to "pass" for straight. The story of his journey to adulthood and to self-acceptance with grace and honesty, this intimate portrait of a young man's struggle with his own desires is witty, humorous, and deeply felt. Before his death of complications from AIDS in 1995, Monette was an outspoken activist crusading for gay rights. *Becoming a*

The author relates his experiences and feelings growing up gay in a small New England town in the 1950s and the pain of living a lie to keep his homosexuality hidden

A "scrupulously honest" (O, The Oprah Magazine) debut memoir that explores one man's gender transition amid a pivotal political moment in America. *Becoming a Man* is a "moving narrative [that] illuminates the joy, courage, necessity, and risk-taking of gender transition" (Kirkus Reviews). For fifty years P. Carl lived as a girl and then as a queer woman, building a career, a life, and a loving marriage, yet still waiting to realize himself in full. As Carl embarks on his gender transition, he takes us inside the complex shifts and questions that arise

Bookmark File PDF

throughout the alternating moments of arrival and estrangement. He writes intimately about how transitioning reconfigures both his own inner experience and his closest bonds—his twenty-year relationship with his wife, Lynette; his already tumultuous relationships with his parents; and seemingly solid friendships that are subtly altered, often painfully and wordlessly. Carl —has written a poignant and candid self-appraisal of life as a —work-of-progress— (Booklist) and blends the remarkable story of his own personal journey with incisive cultural commentary, writing beautifully about gender, power, and inequality in America. His transition occurs amid the rise of the Trump administration and the #MeToo movement—a transition point in America’s own story, when transphobia and toxic

masculinity are under fire even as they thrive in the highest halls of power.

Carl's quest to become himself and to reckon with his masculinity mirrors, in many ways, the challenge before the country as a whole, to imagine a society where every member can have a vibrant, livable life. Here, through this brave and deeply personal work, Carl brings an unparalleled new voice to this conversation.

Tender and passionate autobiographical essays by the National Book Award-winning author of *Becoming a Man*. "Does it go too fast?" Monette asks about life at the beginning of one piece. The answer is a resounding "yes" for the individuals who populate this stunning work of nonfiction. These ten autobiographical essays memorialize those whose lives

young age, Michael was both fascinated by and afraid of his grandfather. Grandpa's ship was torpedoed during the Second World War, leaving him with terrible burns. Every time he came to stay, Michael was warned by his mother that he must not stare, he must not make too much noise, he must not ask Grandpa any questions about his past. As he grows older, Michael stays with his grandfather during the summer holidays and learns the story behind Grandpa's injuries, finally getting to know the real man behind the solemn figure from his childhood. Michael can see beyond the burns, and this gives him the power to begin healing scars that have divided his family for so long.
