Do No Harm by Henry Marsh | Waterstones
The Goodread's description of Do No Harm talks about the books' [astonishing compassion and candor] and says it's [it is a lesson in the need for hope when faced with life's most difficult decisions.]] I'm thinking whoever wrote that only read half the book. English neurosurgeon Henry Marsh does write beautifully about brain surgery.

Do No Harm: Stories of Life, Death and Brain Surgery by ...
Henry Marsh, Do No Harm: Stories of Life, Death and Brain Surgery Through reading this book, I also realised that patients' family members and loved ones bear the brunt of emotional agony. While individual faces tend to fade over time in the memory of doctors as they are inundated with new cases, to the patients' closest kin, the damage is irreversible, and the emotional baggage remains forever.

Do No Harm by Henry Marsh | Book Review
British neurosurgeon Henry Marsh, the author of Do No Harm, operates on the brain. The Mayfield Clinic provides this succinct description of the organ: "Nothing in the world can compare with the human brain. This mysterious three-pound organ controls all necessary functions of the body, receives and interprets information from the outside world, and embodies the essence of the mind and soul.

Do No Harm by Henry Marsh: Summary and reviews
Well, thank God for Henry Marsh. His speciality is drilling into people's heads and sucking out or cauterising various problem globules, usually life-threatening. Those are the bald basics, but...
