HHHH - Laurent Binet - Goodreads

HHHH: "Himmler's Hirn heisst Heydrich", or "Himmler's brain is called Heydrich". The most dangerous man in Hitler's cabinet, Reinhard Heydrich was known as the "Butcher of Prague." He was feared by all and loathed by most. With his cold Aryan features and implacable cruelty, Heydrich seemed indestructible!until two men, a Slovak and a Czech recruited by the British secret service, killed him in broad daylight on a bustling street in Prague, and thus changed the course of History. Who were these men, arguably two of the most discreet heroes of the twentieth century? In Laurent Binet's captivating debut novel, we follow Jozef Gabcik and Jan Kubiš from their dramatic escape of Nazi-occupied Czechoslovakia to England; from their recruitment to their harrowing parachute drop into a war zone, from their stealth attack on Heydrich's car to their own brutal death in the basement of a Prague church. A seemingly effortlessly blend of historical truth, personal memory, and Laurent Binet's remarkable imagination, HHHH'an international bestseller and winner of the prestigious Prix Goncourt du Premier Roman'is a work at once thrilling and intellectually engrossing, a fast-paced novel of the Second World War that is also a profound meditation on the nature of writing and the debt we owe to history. HHHH is one of The New York Times' Notable Books of 2012.

HHHH. Tras este misterioso título se esconde la frase en alemán Himmler's Hirn heisst Heydrich, "el cerebro de Himmler se llama Heydrich". Esto es lo que se decía en las SS de Reinhard Heydrich, jefe de la Gestapo, considerado el hombre más peligroso del Tercer Reich y una de las figuras más enigmáticas del nazismo. En 1942, dos miembros de la Resistencia aterrizan en paracaídas en Praga con la misión de asesinarlo. Después del atentado, se refugian en una iglesia, donde, delatados por un traidor y acorralados por setecientos hombres de las SS, se suicidan. Laurent Binet narra uno de los episodios más conmovedores de la Segunda Guerra Mundial y, posiblemente, de la Historia de la humanidad. Pero tras la narración de esta hazaña empieza otra lucha: la que enfrenta la ficción con la realidad. HHHH es el relato de la desesperada búsqueda de una forma precisa de contar la Historia. Para ello Binet lleva al lector hasta la tormenta de la Segunda Guerra Mundial, a Berlín, Londres y París, a la Praga actual, y en un giro literario de una fuerza inaudita, traslada el régimen nazi hasta el 2010.

From the prizewinning author of HHHH, [the most insolent novel of the year! (L)Express] Paris, 1980. The literary critic Roland Barthes dies!struck by a laundry van!after lunch with the presidential candidate François Mitterand. The world of letters mourns a tragic accident. But what if it wasn't an accident at all? What if Barthes was . . . murdered? In The Seventh Function of Language, Laurent Binet spins a madcap secret history of the French intelligentsia, starring such luminaries as Jacques Derrida, Umberto Eco, Gilles Deleuze, Michel Foucault, Judith Butler, and Julia Kristeva!as well as the hapless police detective Jacques Bayard, whose new case will plunge him into the depths of literary theory (starting with the French version of Roland Barthes for Dummies). Soon Bayard finds himself in search of a lost manuscript by the linguist Roman Jakobson on the mysterious [seventh function of language.!] A brilliantly erudite comedy that recalls Flaubert's Parrot and The Name of the Rose!with more than a dash of TheDa Vinci Code!The Seventh Function of Language takes us from the cafés of Saint-Germain to the corridors of Cornell University, and into the duels and orgies of the Logos Club, a secret philosophical society that dates to the Roman Empire. Binet has written both a send-up and a wildly exuberant celebration of the French intellectual tradition.

HHHH - Laurent Binet - Goodreads

Looks at the diverse unsuccessful attempts to assassinate Adolf Hitler, profiles the various conspirators involved in the incidents, and speculates about the potential global ramifications if one of the attempts had been successful. Reprint. 20,000 first printing.

!Oh my human brothers, let me tell you how it happened. Dr. Max Aue, the man at the heart of Jonathan Littell's stunning and controversial novel The Kindly Ones, personifies the evils of the Second World War and the Holocaust. Highly educated and cultured, he was an ambitious SS officer, a Nazi and mass murderer who was in the upper echelons of the Third Reich. He tells us of his experience during the war. He was present at Auschwitz and Babi Yar, witnessed the battle of Stalingrad, and survived the fall of Berlin receiving a medal from Hitler personally in the last days of Nazi Germany. Long after the war, he is living a comfortable bourgeois life in France, married with two children, managing a lace factory. And now, having evaded justice, he speaks out, giving a precise and accurate record of his life. The tone of his account is detached, lapidary, and for the most part unrepentant, whether he is describing his participation in mass murder on the Eastern Front, his bureaucratic investigations of labour productivity in the death camps, his casual murder of civilians as he tries to break through Russian lines towards the end of the war, or his fervid and convoluted relationship with his twin sister. Over its course, by entwining Aue's life with those of historical figures such as Eichmann and Speer, Himmler and indeed Hitler, The Kindly Ones comes to depict the entire architecture of Nazism from its grandest intellectual pretensions to its most minute, most chilling managerial details and executions. The Kindly Ones presents with unprejudiced realism, meticulous research that is both fascinating and compelling, and brilliant literary accomplishment the greatest horrors imaginable. War and murder are a question, a question without an answer, for when you cry out in the night, no one answers. Aue says. In the same way, this powerfully affecting, powerfully challenging book confronts the reader with the most profound questions about history, morality, and art without offering any easy resolution. Written originally in French, and published now in English for the first time, The Kindly Ones has already sold to date well over a million copies in Europe. In France it won two prestigious prizes, including the Goncourt, and has been compared to War and Peace and other great classics of literature.

Bret Easton Ellis delivers a riveting, tour-de-force sequel to Less Than Zero, one of the most singular novels of the last thirty years. Returning to Los Angeles from New York, Clay, now a successful screenwriter, is casting his new movie. Soon he is running with his old circle of friends through L.A.'s seedy side. His ex-girlfriend, Blair, is married to Trent, a bisexual philanderer and influential manager. Then there's Julian, a recovering addict, and Rip, a former dealer. Then when Clay meets a gorgeous young actress who will stop at nothing to be in his movie, his own dark past begins to shine through, and he has no choice but to dive into the recesses of his character and come to terms with his proclivity for betrayal.

!Readers fascinated with the Romanovs and this tumultuous period in Russian history will be enthralled by this deliciously dark and memorable novel. [Publishers Weekly Inspired by real characters, this transporting historical fiction debut spins the fascinating story of two princesses in the Romanov court who practiced black magic, befriended the Tsarina, and invited Rasputin into their lives!forever changing the course of Russian history. As daughters of the impoverished King of Montenegro, Miliza and Stana must fulfill their duty to their father and leave their beloved home for St. Petersburg to be married into senior positions in the Romanov court. For their new alliances to the Russian nobility will help secure the future of the sisters' native country. Immediately, Miliza and Stana feel like outcasts as the aristocracy shuns them for their provincial ways and for dabbling in the occult. Undeterred, the sisters become resolved to make their mark by falling in with the lonely, depressed Tsarina Alexandra, who!as an Anglo-German!is also an outsider and is not fully accepted by members of the court. After numerous failed attempts to precipitate the birth of a son and heir, the Tsarina is desperate and decides to place her faith in the sisters' expertise with black magic. Promising the Tsarina that they will be able to secure an heir for the Russian dynasty, Miliza and Stana hold séances and experiment with rituals and spells. Gurus, clairvoyants, holy fools, and charlatans all try their luck. The closer they become to the Tsarina and the royal family, the more their status!and power!is elevated. But when the sisters invoke a spiritual shaman, who goes by the name of Rasputin, the die is cast. For they have not only irrevocably sealed their own fates!but also that of Russia itself.

Early one morning in New York City, Will Heller, a sixteen-yearold paranoid schizophrenic, gets on an uptown B train alone. Like most people he knows, Will believes the world is being destroyed by climate change; unlike most people, he's convinced he can do something about it. Unknown to his doctors, unknown to the police!unknown even to Violet Heller, his devoted mother!Will alone holds the key to the planet's salvation. To cool down the world, he has to cool down his own overheating body: to cool down his body, he has to find one willing girl. And he already has someone in mind. Lowboy, John Wray's third novel, tells the story of Will's fantastic and terrifying odyssey through the city's tunnels, back alleys, and streets in search of Emily Wallace, his one great hope, and of Violet Heller's desperate attempts to locate her son before psychosis claims him completely. She is joined by Ali Lateef, a missing-persons specialist, who gradually comes to discover that more is at stake than the recovery of a runaway teen: Violet!beautiful, enigmatic, and as profoundly at odds with the world as her son!harbors a secret that Lateef will discover at his own peril. Suspenseful and comic, devastating and hopeful by turns, Lowboy is a fearless exploration of youth, sex, and violence in contemporary America, seen through one boy's haunting and extraordinary vision.

In 1942, blonde and blue-eyed Milada is taken from her home in Czechoslovakia to a school in Poland to be trained as "a proper German" for adoption by a German family, but all the while she remembers her true name and history.
