His arguments concerning the Antichrist were ultimately unconvincing due to his sloppy millennial hermeneutics and his desire to read "mideast" into every single eschatological text of the Bible. Some of his weaker points consisted of his arguments that the fourth beast of Daniel is not Rome.

Mideast Beast: The Scriptural Case for an Islamic Antichrist (p. 45). Joel Richardson. Kindle Edition. Well, no it cannot "just as easily read" as I demonstrate below. What we have here is a case of ignoring the greek rules of grammar and that is a dangerous road with the revelation as the book itself warns about tampering with what it says.

Simon Pease reviews iMidEast Beast: The Scriptural Case for an Islamic Anti-Christ: by Joel Richardson (2012). Joel Richardson's thought-provoking MidEast Beast challenges the widely-held belief that the final empire of biblical prophecy is a European-revived Roman Empire. Instead, he makes the case for a resurrected Islamic Ottoman empire, a view which is increasingly being taken seriously by students of prophecy.

Mideast Beast completes and establishes the revolutionary argument introduced in Joel Richardson's Islamic Antichrist, namely that the Antichrist will be a Muslim, whose empire will arise out of the Middle East. Whereas most students of the Bible have long held that some form of humanism or universalist religion would catapult the Antichrist to world power, Mideast Beast: The Scriptural Case for an Islamic Antichrist systematically proves from that the long awaited system of the Antichrist is even now before us and knocking at our door. Through a highly scholarly, theologically grounded, yet simple presentation, Richardson thoroughly corrects the objections of critics, establishing beyond a doubt, the Biblical case for an Islamic Antichrist. With large segments of the Christian missionary movement embracing a heretical method of outreach to Muslims known as "Christlam" or "The Insider Movement", Mideast Beast cuts to the core of the matter, revealing the true nature and origins of Islam

"In 'The Islamic Antichrist', Richardson exposes Western readers to the traditions of Islam and predicts that the end times may not be far away. His book will stun readers unaware of the similarities between the Antichrist and the "Islamic Jesus." His research on the relationship between Christian end-time prophecy and Islamic expectations of world domination will shock readers and shape the debate over radical Islam for years to come. This is the book to read to understand Islam's potential role in fulfilling the prophecies of the Bible" --Cover, p. 2.

This book is a comprehensive analysis of Biblical prophecy, in light of Scriptures ignored by many teachers of Eschatology today. Isaiah, Jeremiah, Ezekiel, and numerous Old Testament prophets wrote that the Messiah would defeat a wicked king in the latter days from the lands once known as Assyria or Babylon-modern day Iraq. This book presents Biblical evidence that the Antichrist will rise from this land, and temporarily establish a new "Islamic empire" in the Middle East. This empire will rise after the nations of the world force Israel from half of Jerusalem and Judea (the West Bank, ) according to Bible prophecy. Learn how the predicted outcome of the Israeli/Palestinian dispute of the holy land perfectly reflects unique events of modern history, including the rise of radical Islam. Third edition.

New York Times bestselling author Joel Richardson carefully explores what is arguably the greatest prophetic mystery in all of the Bible. Mystery Babylon is an in-depth look at the prophecy of Revelation 17 and 18. Richardson dissects the longest prophecy in the New Testament the final chapters of the Bible in order to make sense of these deeply elusive and profoundly controversial passages. In his characteristically easy-to-understand style, Richardson works through the history of Christian interpretation of Mystery Babylon, weighing the strengths and weaknesses of each view, making a powerful case for a solution to this prophecy that will rock the prophecy world. Divided into three parts Mystery Babylon Richardson expositis Scripture in part 1, examines the more common positions in part 2, and invites the reader to a powerful conclusion in part 3. "

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerical predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

God has begun to reveal the truth about the End Days and the Rise of the Islamic Antichrist, whom the Muslims call Imam Madhi. In this book we will show conclusively that only Islam can fill the role of the Antichrist. You will be shown how Islam is trying to revive its Islamic Caliphate in the Middle-East, which perfectly fulfils the role of the Biblical Empire of the Beast. And also how Islam is planning to create a New Islamic World Order, through Global Jihad, which will begin with the conquering of Jerusalem. We'll compare Muslim tradition about the Last Days and Christian end time scripture, only to discover some shocking revelations, that have remained hidden until now, which will tear the veil and mystery off the end days for good. Finally you'll discover what the Real Mark of the Beast is, and how it connects to 666. Even the book of Revelation has been made easy to understand.

As the title implies, Prophecy and Current Events in the Middle East: Framing Israel's and America's Future traces Old and New Testament prophetic events beginning with the patriarch Abrams fathering of two sons who form the roots of religions now at war. It details how the fulfillment of these events is impacting the world today and will impact the world in the near future. The book documents ancient prophecies fulfilled through the modern miracle nation of Israel and it delves into yet-to-be-fulfilled prophecies of future wars that Israel will be forced to fight. It documents the construction of the third temple, and it examines ancient prophecies of a future tribulation time, God's hand in Israel's survival, and his role in the total destruction of their enemies. The book documents how the prophecies of Old Testament prophets, such as Daniel, Ezekiel, Zechariah, Jeremiah, Joel, Asaph, and Isaiah, correlate perfectly with New Testament prophecies of Jesus and the apostles John, Paul, Peter, and Jude to show God's power and total control as this present age comes to an end.

What would you do? What if you stumbled across a message a simple interpretation of scripture much simpler than scholars had been telling us and it opened your eyes and completely transformed your perspective of the end times? What if you knew in your heart and mind it was true because news coming from the Middle East confirmed this message every day? What if millions of lives were about to be deeply affected and someone had to say something? And what if that someone had to be you? What would you do? If you want to know the truth regarding present-day events in the Middle East and how they will affect you and your family, you need to get this book. A major fire has been lit and few are paying attention. Dr. Sonny Payne, founder of New Gate Ministries and host of the international television program Jerusalem Chronicles What Mark has done is create a very quick read for those Christians who can feel something coming but cant put their finger on it, who know that God is in control but, in a world spiraling into chaos, dont know where to go scripturally. Chris Mantei, Northeast Region Community Voice, Voice of the Martyrs The message in this book needs to be heard today! I wholeheartedly and enthusiastically recommend this book. It will change the way you face the future! Carl Suttler, senior pastor, Foundations Church, Loveland, Colorado
