Social Media turns the whole world into one neighborhood. It's NOT simply about advertising or promoting your company, product or service. It's about using technology to expand a word-of-mouth network, unbound by physical location, to make it more effective. And maybe even that nebulous new goal: viral.

These issues include understanding what social media is, how it has changed the marketing landscape, ways to leverage it for reaching consumers, how to best measure the ROI of a social media campaign, and more.

~~Perspectives on Social Media Marketing—Stephanie Agresta—~~
But social media is always a bit of a lightning rod for management. Often there's generational difference in perspective. The pace, tone and informality of social media can be disconcerting, particularly for traditional B2B companies. Sometimes there's simply naiveite and lots of anecdotal misinformation.
